Wise sayings often fall on barren ground;
but a kind word is never thrown away.

-Arthur Helps

Good day, everyone!

As I write this message, the students are busy dancing up a storm in the gym, dressed in their Halloween finest. A **HUGE** thank you to Mrs. Rachael Schiller for spearheading this fabulous school-wide event/ On behalf of the staff and students I would also like to thank the many parents who have helped with and/or attended this afternoon. A terrific time is being had by all.

I would also like to extend my thanks and congratulations to the Student Council, which, under the leadership of Mr. Thompson organized a haunted house as well as many different activities for the afternoon. What a terrific example of leadership!

Another **HUGE** thank you is extended to Mrs. Gudrun Campbell who sponsored October's pancake breakfast. It was inspiring to see our children having another opportunity to be together as a whole school and the smiles on each and every face certainly showed how much this event was appreciated. I would also like to thank Mrs. Hazel Schneider and her volunteers who do such a wonderful job of feeding our students.

To me, the above events are prime examples of the community and school spirit which make W. R. Frose School, and its surrounding communities, so special.

In assemblies, we have been talking about the fact that "learning" is an action word and so the students must be actively learning- not just being taught. This means that students need to be careful listeners, try to complete their assignments and let their teachers know when they do not understand something. We are partners in education and must work together. When you have a moment, ask your children what they are learning and how they learn. They have some very interesting answers.

The first written progress report of this school year will be coming home on November 10, 2011. Please sign and return the purple cover page, but keep the yellow report at home.

It has been a great, and busy, start to the school year. Please "trick-or-treat" safely and have fun. We'll see you all on Wednesday, November 2nd.

Have a great month!

Lisa Gehring

Hot Dog Day

November 15, 2011

Remembrance Day Ceremony

We will be having our Remembrance Day Ceremony on November 10, 2011 at 10:30 am

M. Alice Frose Library's

New Book Chat & Activity Club

Would you like to join the new Library Club?

We would like you to come join us at the library to talk about books that you have read or listen to others about an interesting book that they have read.

We will meet from 3:00 – 4:30 PM on the first Thursday of each month. If there is enough interest in the club then we would meet on two different nights with different age groups. There will be no charge for joining the club and the smaller activities that we do, but if we decide to work on bigger art projects, there may be some smaller fees for the materials. Notes would be sent home to explain the costs.

We will start off by talking about books that we have read, book talks and some book or science activities. Then we will work on an Art or Craft Activity. We will talk about the types of projects that everyone is interested in and then work from there. Some ideas for the projects are Painting, Leathercraft, Wood work, Book making and any other ideas that people may have.

If your child is interested in joining, please contact Marie at the school. 780-954-3827

The Library is going to have a "Mitten Tree" set up in the library from November 21st until December 13th. We will be asking for donations of a Twoonie to put into a mitten to be hung on the tree. The donations of the money collected and any mittens, scarves, tougues and food items will be donated to the FCSS for the Winter Clothing Campaign and the Christmas Food Hampers. All donations are welcome.

The library is also holding a Turkey & Ham Bingo and Silent Auction on December 3rd. Anyone wishing to donate items for the Silent Auction is asked to contact Marie at the school.
