### **Ice Cream Products**

Sandwiches and Rockets - \$ .50

Sundaes \$ .75

Drumsticks \$1.00

# Principal's Message

Greetings!

It is hard to believe that October is already here. Thanksgiving is almost upon us, with Halloween and Remembrance Day soon to follow. With that in mind, our students, staff and school staff are off to a running start.

We started the year with an activity afternoon, for the entire school. Thank you to Mr. Thompson and the 7/8 class who to run the afternoon for us. It was a great time. Shortly after that, we began preparing for the cross country run, which occurred last Thursday. Yesterday we had the annual Terry Fox Run and the Matt Bratt Breakfast. Thank you to everyone who helped and/or participated. A great time was held by all. Also the junior high students have been busy practising both volleyball and soccer as they prepare for the annual soccer tournament on October 6<sup>th</sup>, as well as for the volleyball season.

This evening we will be hosting our annual awards night, and I am looking forward to the return of many of our students and parents for this wonderful celebration of student achievements.

Next week, on Monday and Tuesday evenings, we will be having our parent/student/teacher goal setting conferences. These conferences are an excellent chance for you to tell us more about your children and to help us help your child focus on the skills and study habits they require. This year we will also share information about Successmaker and how to access it if you have internet at home. We will also be giving you your child's Power School login and password information so that you can check in on your child's progress each month. We will continue to print three progress reports and the final report card as we recognize that many

Also, I would like to remind you that we have set as a goal that we will continue to send home all tests and quizzes. In older grades (5-8) teachers would like to have these signed and returned, in order to keep them for the students to use as a study tool. Mrs. Klassen and Mrs. McCann, due to the younger ages of their students, may communicate this information in a slightly different way, or may not require the test and quizzes to be returned, so please contact them if you have any questions. Our purpose is to ensure that there is good communication between school and home.

I would like to thank the school council for its continued support of our school and its many activities. Our students are blessed to have so many wonderful people working together to support them. Truly, these communities are working together to raise our students. Thank you, thank you and thank you!

This month we have focussed on "respect" at our assemblies. During the month of October, we will focus on the related virtue of "acceptance." We also spend time discussing what our students are learning. Our message to the students is that "to learn" is an action word, so they need to be actively involved in their learning. One easy way that you can support your child's learning is to ask them to tell you what they have been learning- not just what they have been doing. You'll get some interesting answers.

Have a great month and we will see you next week!

Lisa Gehring  
W. R. Frose Principal

September 6, 2011

**To: W R Frose School Parent Council**

**From: The executive of the RCL Flatbush Br. # 137**

The Flatbush Legion is excited and proud to be celebrating our 75<sup>th</sup> Anniversary and we are asking for your support. The purpose of this letter is to ask you to urge your organizations' members to attend our celebration of this milestone. As members of small community groups we both know how much community support and attendance means to the success of an event. Look at this as an opportunity for the members of your organization to come to an event and not have to work at it while paying tribute to a long standing organization that, as yours, enhances our communities. We look forward to socializing with you.

**75<sup>th</sup> ANNIVERSARY CELEBRATION of the  
ROYAL CANADIAN LEGION
